Education

Brown | R.I.S.D Dual Degree Program

Rhode Island School of Design
B.F.A. Illustration, 2019-2024
Brown University
B.A. Computer Science, 2019-2024

Design Experience

Junior Multimedia Designer
Alcatel-Lucent Enterprise
JUNE 2023 - FEBRUARY 2024
Created and edited informational videos using stock footage and animated captions, developed scripts for videos based on white papers.

Visual Design Intern
Flourish Science Inc.
JUNE 2023 - AUGUST 2023
Animated existing assets for use in a mobile app, generated assets and page designs collaboratively based on existing design systems, and prepared graphics for deployment.

Animation Intern
Accion Opportunity Fund
JUNE 2022 - DEC 2022
Developed 2-3 minute, creative, 2D-animated films based on interviews with small business owners; created motion graphics for social media templates and videos in collaboration with other team members.

Other Experience

Merchandise and Graphic Designer
Zeta Delta Xi
SEPT 2021 - PRESENT
Non-profit campus student group. Worked with direction from other members to design and produce merchandise, posters for events, and brand identity.

Bio

Izzy Hettmansperger is an eccentric undergraduate student from Boulder, Colorado. They are in their 5th year in the Brown | RISD Dual Degree program in Providence, RI. Through experiments with new illustrative mediums from sewing to 3d animation, Izzy creates polished work that sparks joy and cracks a smile.
